

# Current and Former Foster Youth University of California Admission Information

## 1. Prepare for Admission

The minimum you need to do to be considered for **admission as a freshman** is:

- Complete 15 “a-g” courses
  - A. 2 years of history/social science
  - B. 4 years of English
  - C. 3 years of math
  - D. 2 years of lab science
  - E. 2 years of a language other than English
  - F. 1 year of visual and performing arts
  - G. 1 year of college-prep elective from “a-g”
- Take the ACT with Writing or SAT
- Earn a 3.0 GPA

To be considered for UC **admission as a junior transfer**, you must fulfill both of the following:

- Complete 60 semester (90 quarter) units of transferable college credit with a GPA of at least 2.4. No more than 14 semester (21 quarter) units may be taken Pass/Not Pass.
  - Complete the following course pattern requirements, earning a grade of C or better in each course:
    - A. Two transferable college courses (3 semester or 4-5 quarter units each) in English composition
    - B. One transferable college course (3 semester or 4-5 quarter units) in mathematical concepts and quantitative reasoning
    - C. Four transferable college courses (3 semester or 4-5 quarter units each) chosen from at least two of the following subject areas:
      - arts and humanities
      - social and behavioral sciences
      - physical and biological sciences
- Each course must be worth at least 3 semester units.

## 2. Complete an online application, which can be accessed at [www.universityofcalifornia.edu/apply](http://www.universityofcalifornia.edu/apply).

Campuses e-mail applicants to request or clarify information; they often need a quick response. Provide an e-mail address that you'll check regularly and keep until you enroll. Update your spam filters to ensure that you receive all UC communications.

To give us a complete picture of who you are, you may wish to discuss your foster care experience in your personal statement.

### *Application filing periods*

Fall quarter/semester	November 1–30
Winter quarter/spring semester	July 1–31
Spring quarter	October 1–31

The application fee is \$70 for each UC campus to which you apply. UC will waive application fees for up to **four** campuses for qualified students who would otherwise be unable to apply for admission. You can apply for a fee waiver within the online application and be notified immediately whether you have qualified. You will need to provide your income and the number of people supported by that income.

## 3. After you apply, you can log in to your application to review and, if necessary, change your telephone number, e-mail or mailing address. You can also apply to additional campuses if they're still open.

If you're a freshman or sophomore applicant, be sure to have your ACT and SAT scores reported by the testing agency. If you have your official score report sent to one campus, it will be available to all campuses to which you applied.

If you're a transfer student, about five weeks after the filing period has ended, you are required to update your grades and course records.

Each campus that accepts you for admission will issue you a Statement of Intent to Register (SIR) form or direct you to a website where you can declare your intent to register. You may accept admission to one campus only. A \$100 nonrefundable deposit must accompany your acceptance. Housing and financial aid information will be included in your admission offer.

#### 4. Entry Level Writing Requirement

Freshmen must demonstrate their command of the English language by fulfilling the Entry Level Writing Requirement. Students can meet this requirement by scoring:

- 30 or better on the ACT Combined English/Writing test; or
- 680 or better on the College Board SAT Reasoning Test, Writing section; or
- 3 or above on either Advanced Placement Examination in English; or
- 5 or above on an International Baccalaureate High Level English A exam; or
- 6 or above on an International Baccalaureate Standard Level English A exam

All incoming California students who have not met the Entry Level Writing Requirement by April 1 must take the **UC Analytical Writing Placement Examination**. The exam will be administered in May at testing centers throughout the state. There is a fee for the test, but it will be waived if you have already received a waiver of your UC application fees.

#### 5. Educational Opportunity Program (EOP) and Disability Resources

**EOP** assists those challenged by social, economic and educational disadvantages with enrolling in college as well as helping them to complete their educational goals. EOP services include academic and support counseling and other support services. Students apply to EOP by checking a box within the admissions application. The applicant is then prompted for a brief explanation of their interest in applying.

In addition to EOP, UC provides special assistance and services to support students with disabilities so they can participate fully in campus programs and activities. Each campus has a disability resources office that coordinates a variety of services for students with permanent and temporary disabilities. Check the campus website for location, hours and other information.
