Butte County Higher Ed Collaboration

Butte County Office of Education
"WHERE CHILDREN COME FIRST"

- Student Voice! – We always have a college student co-chair of our EAC (advisory committee)
- Peer Coach model (student staff)
- Employment recommendations for Champion Scholars
- CYC Butte Chapter alternates meetings at Chico State & Butte College
- Campus network events (Butte & Shasta) to increase transfer pipeline

What helps foster collaboration:

Higher Ed Collaboration

College students (with foster experience) are hired as mentors and connected with a current foster youth receiving special education services.

We currently have 8 Butte College students (Inspiring Scholars) and 5 Chico State students (PATH Scholars) working as mentors

Inspired by the California Mini-Corps Model (former migrant college students tutor current migrant students)
